## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 1-15 are allowable over the prior art of record because the prior art of record does not teach or fairly suggest the entire combination of elements set forth including a spring biasing the latch mechanism and the latch member, claim 1, lines 13-15 and opposing slots within the latch body and the latch blade and a compression spring extending within the opposing slots, claim 9, lines 14-16.

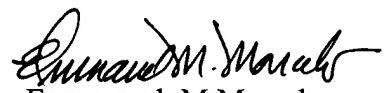

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Emmanuel M Marcelo whose telephone number is 703-305-6597. The examiner can normally be reached on Monday - Friday.
